PRESS RELEASE 2016 - 13

September 15, 2016

## Palisade Global Investments Ltd. Provides Lead Order for Spruce Ridge Resources Non-Brokered Private Placement

**Wellington County, Ontario** – Spruce Ridge Resources Limited (TSXV: SHL) ("Spruce Ridge" or "the Company") is pleased to announce that Palisade Global Investments Ltd. is investing \$188,500 as the lead order in the \$500,000 Non-Brokered private placement announced September 13, 2016. Palisade is acquiring 3,770,000 units at a price of five cents per Unit. Each Unit will consist of one common share of the company and one common share purchase warrant of the Company. Each warrant will be exercisable to acquire one common share of the Company at an exercise price of five cents for a period of five years from closing.

John Ryan, President and CEO of Spruce Ridge stated, "We are extremely pleased that Palisade Global has recognized the potential value of our Great Burnt Copper/Gold property in Central Newfoundland and have decided to invest. It is also a strong endorsement of Newfoundland as a Mining - friendly jurisdiction."

Collin Kettell, CEO of Palisade Global Investments, stated, "We are very pleased to provide the lead order into the financing for Spruce Ridge Resources. With John Ryan at its helm, Spruce Ridge has managed to amass a suite of highly prospective projects in Newfoundland, an under explored region that our team is familiar with and keen to gain more exposure."

**Forward-Looking Statements**

*Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release. This News Release includes certain "forward-looking statements" which are not comprised of historical facts. Forward-looking statements include estimates and statements that describe the Company's future plans, objectives or goals, including words to the effect that the Company or management expects a stated condition or result to occur. Forward-looking statements may be identified by such terms as "believes", "anticipates", "expects", "estimates", "may", "could", "would", "will", or "plan". Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties. Although these statements are based on information currently available to the Company, the Company provides no assurance that actual results will meet management's expectations. Risks, uncertainties and other factors involved with forward-looking information could cause actual events, results, performance, prospects and opportunities to differ materially from those expressed or implied by such forward-looking information. Forward looking information in this news release includes, but is not limited to, the Company's objectives, goals or future plans, statements, exploration results, potential mineralization, the estimation of mineral resources, exploration and mine development plans, timing of the commencement of operations and estimates of market conditions. Factors that could cause actual results to differ materially from such forward-looking information include, but are not limited to failure to identify mineral resources, failure to convert estimated mineral resources to reserves, the inability to complete a feasibility study which recommends a production decision, the preliminary nature of metallurgical test results, delays in obtaining or failures to obtain required governmental, environmental or other project approvals, political risks, inability to fulfill the duty to accommodate First Nations and other indigenous peoples, uncertainties relating to the availability and costs of financing needed in the future, changes in equity markets, inflation, changes in exchange rates, fluctuations in commodity prices, delays in the development of projects, capital and operating costs varying significantly from estimates and the other risks involved in the mineral exploration and development industry, and those risks set out in the Company's public documents filed on SEDAR. Although the Company believes that the assumptions and factors used in preparing the forward-looking information in this news release are reasonable, undue reliance should not be placed on such information, which only applies as of the date of this news release, and no assurance can be given that such events will occur in the disclosed time frames or at all. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, other than as required by law.*
